

LOCATION AND KEYS FOR WHITING SHEDS

The following link provides information about the whiting/lining sheds for each North Vancouver field:

NOTE: The Kinsmen *gravel* field (which is adjacent to the Confederation turf field) does NOT have a lining shed. The closest shed with a liner that we can access is at Delbrook grass field.

Keys to whiting sheds can be purchased as follows:

For fields in North Vancouver - front office of Delbrook Rec Centre

For fields in West Vancouver - contact Colin Millar at camsoccer@telus.net
